.....

*"You have a passion for bringing a light to those walking the cancer road."*

*"Thank you for decorating our son's hospital room. It was the first time he smiled in weeks."*

Because no family should ever have to face a childhood cancer diagnosis alone.

Touched by Childhood Cancer

## Our Mission

To provide emotional, spiritual,  
and educational support by  
listening to, understanding, and  
supporting families touched  
by childhood cancer.

## Our History

Founded as a non-profit  
501c3 corporation in 2007 by  
four mothers of children with  
cancer, determined that no  
family should have to travel  
this difficult road alone.

## Monthly Family Gatherings

Families of children who are cancer survivors or are  
in various stages of treatment are invited to attend  
our family get-togethers. We meet on the first  
Tuesday of each month from 6:00 to 7:30 pm at  
the Ronald McDonald House, 850 2nd Street SW,  
Rochester, Minnesota.

We are grateful to Ronald McDonald Charities  
for the provision of meals during the meetings for  
participants and children. A Mayo Clinic Child  
Life Specialist is on site and provides organized  
activities for children ages five and older.
