

Dear Sibling(s) and Family,

Thank you for registering for our **February 11th Mayo Clinic Sibshops at Quarry Hill Nature Center**. We look forward to sharing a day of fun, doing things like snow shoeing/cross country skiing, a wildlife presentation, fleece blanket making, and more with you and other siblings too! We want to share just a few details about the day to help prepare you and your family.

Parents, please bring your child dressed appropriately for the day's activities. They should be dressed ready for playing indoors and outdoors including snow gear (hat, mittens, scarf, jacket, snowpants, boots) for snow shoeing or cross country skiing and an extra change of clothes (shirt, pants, socks) in case clothes get wet during outdoor activities. Lunch, snacks, and drinks will be provided throughout the day.

Quarry Hill Nature Center Drop Off and Pick Up: The camp begins at Quarry Hill Nature Center at 9:00am and ends at 3:00pm. Parents, please drop your child off at Quarry Hill at 9:00am. Parents and siblings are invited to attend our closing ceremony at 2:30pm to 3:00pm. The address is:

Quarry Hill Nature Center
701 Silver Creek Road Northeast
Rochester, MN 55906

We are excited to be starting this program and to have you and your family as a part of it. We look forward to more Sibshops ahead and will keep you posted as plans are made. As this is a growing program that we want to teach other families about, we would like to ask your permission to take pictures throughout the day.

Please don't hesitate to call with any questions. You may contact Child Life at (507) 255-4091 or email childlife@mayo.edu.
